## ***Director's Notes***

I wish to thank you for attending today's performance. You are not only contributing to the future of the West Allis Players, but are furthering community theatre in general. I wish to tell you how much fun we have enjoyed putting this show together. We've discussed our personal relationships to the various songs, told tales of witnessing the productions that they came from, and enjoyed creating an interesting and diverse program of some of Broadway's exciting show tunes. We owe a huge debt of gratitude to our accompanist, Clint Peterson, who is such a caring and sensitive musician. The cast has shared so much enthusiasm and laughter in rehearsing these songs. It's been my pleasure to work with such diverse, talented and hard working individuals. I enjoy meeting new people in community theatre endeavors and love reconnecting with individuals that I've shared past productions with. We are very proud of what we have accomplished and hope that you will enjoy the fruits of our labors. Sit back and prepare to take this Broadway journey.

-Michael Jablonski

## ***From the Board President***

On behalf of our entire board and production team, thank you for joining us for *A Broadway Journey 2*, the grand finale of our 55th season! Your presence with us celebrates not only the incredible talent on our stage but also the enduring spirit of community theater.

As we look ahead to an exciting 56th season, your support is more important than ever. If you're able, please consider making a donation to help us continue bringing vibrant, local productions to life. Every gift—large or small—makes a lasting impact. You can donate to the Players at our concession table in the lobby.

We also welcome new volunteers with open arms! If you'd like to get involved, please fill out one of the volunteer forms in the lobby—we'd love to have you join our theater family either on stage or backstage. The Park and Rec school theater programs do not end with high school graduation.

Thank you for being part of our journey!

-Mary Beth Topf

**Brenda Soppa** is a "semi-retired" RN, ex-Army nurse, happy church choir member, and empty nester. Brenda has virtually no acting experience and is going "out of her comfort zone" by performing in this show. Encouraged by a couple of her fellow choir members, she decided to "give this a try".

**Lily Sullivan** recently played Pamela Peabody in The West Allis Players production of “The Fox on the Fairway”. Before that she appeared in the 2019 production of “Murder’s Bad, but Monday Can Kill You”. Lily is happy to be back on stage and hopes that you enjoy the show.

More recently, she has taken a backstage role, being a production assistant for the Whitman/Montessori Players! While Dakota loves seeing her students shine, she’s grateful to be back in the spotlight and she hopes you enjoy the show!

**Leanne Taylor** is enjoying her first involvement with The West Allis Players. She participated in a couple of musicals in high school and sang in the Blue Jacket choir when she was in the service. Leanne was a cantor at Saint Alphonsus parish for twenty years, and is a current member of the Saint Matthias Church adult choir. She’s very excited to be performing today.
